COMPENSATION TO COOPERATING BROKER (SB, BB)
 MLS cannot accept the listing unless the SB and BB keywords are completed. Specifying the compensation of each listing is necessary because the cooperating Broker (Selling Broker or Buyer's Broker) has a right to know what the compensation shall be prior to his/her endeavor to sell.
 The compensation shall be shown in one of the following forms:
 1. By showing a percentage of the gross selling price
 2. By showing a definite dollar amount
 If you offer a DUAL OR VARIABLE RATE COMMISSION (i.e. one in which the seller agrees to pay a specified commission if the property is sold by the listing broker without assistance, and a different commission if the sale results through the efforts of a cooperating broker) the listing broker must disclose by either one of the below formats followed by "V". **EXAMPLE: SB: -%V BB: -%V**
 If you take an EXCLUSIVE-RIGHT-TO-SELL contract with Named Prospects Exempted (Reservations) you will denote the compensation in either one of the below formats followed by "R". **EXAMPLE: SB: -%R BB: -%R**
 If you take an EXCLUSIVE AGENCY CONTRACT the standard Exclusive-Right-to-Sell contract cannot be used. Fill in the keywords and features page (reverse side of page) in the usual manner and denote the compensation in either one of the below formats followed by the code "XA". **EXAMPLE: SB: -%XA BB: -%XA**
 * All compensation offered through MLS to the cooperating company is paid based exclusively on its becoming procuring cause of the purchaser.
